REDUCE

REUSE

RECYCLE

IN THAT ORDER

Recycling is great, but reducing the amount of waste we create is loads better. To help save the Earth's natural resources, learn to reduce and reuse.

Reduce: Choose what you want wisely so things don't go to waste.

Reuse: Give away, sell, or donate things you no longer need so they can be used again.

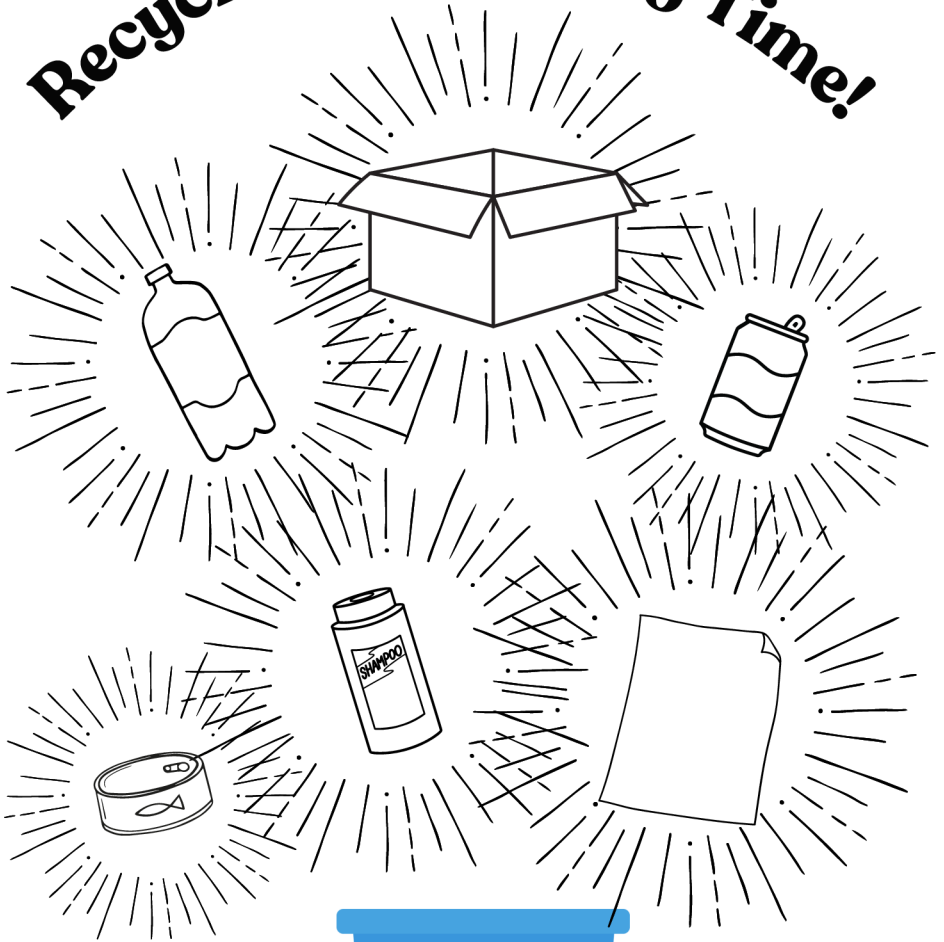

Word Search

Find the recycling terms listed below and circle them.

MAZE GAME

Draw a line to help the aluminum can find the recycling bin.

Recycling matters!

The metal from the can you recycle **today** can be back on a store shelf in **two months**, ready to be taken home and **recycled again!**
